

Oromia Bank - FY2025/26 AGM results

Generated source summary - not a bank-issued annual report

Published by Ethiopian Business Review, 10 October 2026. Checked 12 October 2026.

Ethiopian Business Review reported Oromia Bank AGM results on 10 October 2026: pre-tax profit ETB 3.82 billion; profit after tax ETB 2.84 billion; income tax ETB 980.7 million; income ETB 15.24 billion; expenses ETB 11.42 billion; assets ETB 105.7 billion; deposits ETB 88.1 billion; loans and IFB financing ETB 56.2 billion; paid-up capital ETB 7.8 billion. It also reports NPL ratio 2.43% and return on equity 37.5%. Figures are rounded secondary reporting of an annual report presented to shareholders. The original audited report was not located in the bank archive checked on 12 October 2026. The attached PDF is a generated source summary, not a bank-issued report. Do not infer total equity from the reported total capital or use these rounded amounts as exact audited balances.

Ethiopian Business Review: Oromia Bank FY2025/26 results

Coverage gap: the issuer annual-report archive still lists FY2024/25 as its newest report. Financial-statement and cash-flow detail awaits the original FY2025/26 filing.
